

Alphabet Sequence Puzzle

Sequence the letters in alphabetical order. Cut and paste the puzzle.

A dashed grid with 8 rows and 1 column. To the right of the grid, the letters A, B, C, D, E, F, G, and H are listed vertically, corresponding to each row. A cartoon skier is positioned in the center of the grid, spanning from row B to row G. The skier is wearing an orange hooded jacket, blue pants, green boots, and yellow gloves. The skier is holding two ski poles and is on two blue skis. The skier's right hand is on the handle of the left pole, and the left hand is on the handle of the right pole. The skier is smiling and looking towards the viewer.
