

Name: _____

Date: _____

Time: ____ : ____ - ____ : ____

A **preposition** is a word that links a noun or pronoun to another word in a sentence.

Underline the four prepositions in the paragraph and write them in the space below.

My sister bought her pet frog from the local pet store. His name is Leapy. Leapy jumps across his tank all the time. Once he even jumped with a stick in his mouth! Leapy reminds me of a pet dog more than a pet frog.

4 _____

Underline the eight prepositions in the paragraph and write them in the space below.

I was a star at basketball practice yesterday. For the first time ever, I didn't miss a single shot! Of everyone on the team, I was the only one to make all of my free throws too. I couldn't believe it. At the end of practice, my coach gave me a high five and said, "Way to go!"

8 _____

Underline the nine prepositions in the paragraph and write them in the space below.

About two years ago, my cousins who live in Georgia visited during winter break. They stayed with my grandparents, but my family saw them every day. My grandparents live across the street. The most fun activity I did with my cousins was playing hockey at the park. By the second day of winter break, I was exhausted!
