

## Calculating Triples and Four Times

---

Calculate triple of 8.

Calculate triple of 9.

Calculate triple of 7.

Calculate triple of 6.

Calculate triple of 5.

**Calculate triple of 4.**

**Calculate triple of 3.**

**Calculate triple of 2.**

**Calculate triple of 1.**

**What is the result if you add 6 four times?**

**What is the result if you add 5 four times?**

**What is the result if you add 4 four times?**

**What is the result if you add 3 four times?**

**What is the result if you add 2 four times?**

**What is the result if you add 1 four times?**
