A doctor's records revealed how many patients she saw each month.

14. In which month did the doctor see the most number of patients?

Patients seen	
Month	Number of patients
December	666
January	677
February	716
March	611

- December
 January
 February
 March

15. In which month did the doctor see the least number of patients?

Patients seen	
Month	Number of patients
April	745
May	630
June	840
July	620

- April
- May
- June
- July
