

## Count Tens and Ones Within 100

---

Find the missing number.

1.  tens = 80 ones

2.  tens = 60 ones

3. 4 tens =  ones

4. 7 tens =  ones

5.  tens = 20 ones

6. 3 tens =  ones

7. 4 tens + 9 ones =

Find the missing numbers.

8. 14 =  ten(s) +  one(s)

**Find the missing number.**

9. 6 tens + 9 ones =

**Find the missing number .**

10. 8 tens + 3 ones =

**Find the missing numbers.**

11. 56 =  ten(s) +  one(s)

**Find the missing number.**

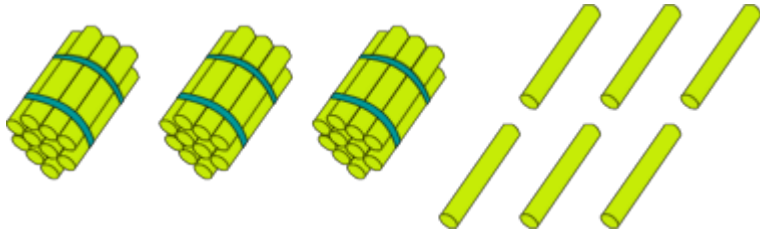

12. 9 tens + 5 ones =

**Find the missing numbers.**

13. 84 =  ten(s) +  one(s)

Count ten(s) and one(s) and find the total number of objects.

14.

ten(s) +  one(s) =

15.

ten(s) +  one(s) =
